RIBA MUNDO TECNOLOGÍA - TURNOVER 2022

Valencia, Feb. 1, 2023 - **Riba Mundo Tecnología SL** officially announces the **turnover for the year 2022, recorded at €329M, up 89.46% compared to 2021 (€173M).**

We confirm our growth and development path that has seen extraordinary results in the last 12 months. In 2022 Riba Mundo Tecnología SL came to serve companies in **more than 45 countries around the world, more than 20,000 orders and more than 1,500 customers.** Last but not least, last year, **we acquired ePrice, a leading marketplace in Italy.**

These are the words of **Marco Dezi, CEO of Riba Mundo Tecnología SL,** regarding the objectives achieved during the year: "We are pleased to inform you about the progress made in one year by Riba Mundo Tecnología SL. Building on last year's momentum we achieved strong revenue growth and strong principal results balance sheet ratios. Our order backlog of approximately €330 million for 2022 is a great asset, providing a clear line of sight into future revenues. Furthermore, thanks to the growing loyalty of our customers and the acquisition of new ones, we are very confident about what lies ahead for us in the year to come and beyond".

Riba Mundo Tecnología is a tech company with legal, operational and logistics headquarters in Valencia (Spain). Currently we buy and sell internationally in the B2B segment in the consumer electronics sector. We currently serve more than 45 countries, the United Kingdom, the United States, and the United Arab Emirates. In 2021, the company closed with net turnover of 173 million euros, with an Ebitda of 3.8 million euros.
