PWC ADVISES RIBA MUNDO TECNOLOGÍA ON €21.3M SUSTAINABLE LOAN WITH SIENNA INVESTMENT MANAGERS ACTING AS AGENT OF THE LENDERS.

Valencia, 26 April 2023 - **Riba Mundo Tecnología S.L.**, Tech Company active in the market of buying and selling electronic products in the B2B segment, obtains a sustainable loan of **EUR 21.3 million**.

The lenders, represented by **Sienna Investment Managers** as Agent, granted **Riba Mundo Tecnología S.L. a sustainable loan of up to EUR 21.3 million** to finance the company's ordinary operations. The interest rate is linked to the company's sustainability performance and may vary according to **certain ESG indicators**.

Underlines **Marco Dezi, CEO of Riba Mundo Tecnología S.L.**: 'We are determined to seize this additional opportunity to continue our growth path within a constantly evolving market. The transaction we have just concluded once again confirms that Riba Mundo Tecnología is considered a reality to believe in and ready for the challenges that the future holds.'

Riba Mundo Tecnología S.L. is a technology company with headquarters, operations and logistics in Valencia (Spain), leader in the B2B segment of the consumer electronics sector. It currently serves more than 45 countries, in addition to all European countries, countries such as the United Kingdom, the United States and the United Arab Emirates. In 2022, the company closed with a net turnover of EUR 329 million, with PWC as Auditor and KPMG as Tax & Legal Advisor.
